

graphic designer wanted

We are looking for a junior/middle-weight talented designer who wants to make a positive impact in society. If you like dramatic views and want to make a difference, join our design team on the Welsh borders. We design to inspire action, interest and curiosity for high profile clients across the social, environmental and heritage sectors.

Our new designer must have a strong appetite to get stuck in on all projects, step up to challenges and be keen to develop new skills and progress quickly. Above all, we are looking for the right person with the right attitude for the right place (that's here).

The role will include:

- // conceptual development for print, 3D and digital projects
- // adaptation and development of creative solutions in keeping with brand guidelines
- // artworking of print publications from leaflets to annual reports to exhibition displays
- // problem solving for client briefs
- // working in collaboration with the creative team
- // working to deadlines
- // liaising with clients and suppliers
- // learning new skills

Required skills:

- // good technical skills in Adobe Creative Suite
- // the ability to pick up new skills quickly
- // understanding of print, 3D, digital and production process, with a strong interest to learn more
- // artwork knowledge with the desire to learn more
- // the confidence to ask questions and highlight concerns when they arise
- // strong organisation skills and the ability to multi-task
- // excellent attention to detail

Bonus but not essential: Vectorworks, SketchUp, After Effects

Please apply in writing, stating why you'd like to work with us; and attach your cv and a portfolio pdf or link to online portfolio to jobs@bwa.design

Salary: negotiable dependent on experience

Closing date: Friday 25 January 2019, interviews planned for week of 4th February 2019

Please note only successful applicants will receive a reply. Sorry, no agencies.
